This following record is an absolute fraud.

Brian Douglas Roark in an involuntary trust.

**Involuntary trust.** "Involuntary" or "Constructive" trusts embrace all those instances in which a trust is raised by the doctrines of equity, for the purpose of working out justice in the most efficient manner, when there is no intention of the parties to create a trust relation and contrary to the intention of the one holding the legal title. This class of trusts may usually be referred to fraud, either actual or constructive, as an essential element. Bank v. Kimball Milling Co., 1 S. D. 388, 47 N. W. 402, 36 Am. St. Rep. 739.

**FRAUD**, contracts, torts. Any trick or artifice employed by one person to induce another to fall into an error, or to detain him in it, so that he may make an

agreement contrary to his interest. The fraud may consist either, first, in the misrepresentation, or, secondly, in the concealment of a material fact. Fraud, force and vexation, are odious in law.

there is absolutely no man or woman earth with first-hand knowledge or actual positive proof of true verified facts of unambiguous empirical evidence to the contrary.
